I am the impossible.

I am the idea too bold to be chained, too powerful to be tamed.

I am the big bang,

I am changing the game for all you doubters, preventers,

I am the idea that has to be born, the revolution that has to be won, the story that has just begun.

I am unstoppable.

A rocket, a cannonball, stronger than storms.

I am born electric,

I am sheer energy,

The force of tomorrow.

I am the possible.

If you think you can

If you think you are beaten, you are.

If you think you dare not, you don't.

If you'd like to win but think you can't,

It's almost certain you won't.

Life's battles don't always go

To the stronger or faster man,

But sooner or later, the man who wins

Is the man who thinks he can.

Walter D. Wintle

Watch

Watch your thoughts; they become words.

Watch your words; they become actions.

Watch your actions; they become habits.

Watch your habits; they become character.

Watch your character; it becomes your destiny

Give Me Your Hand

Give me your hand

I will lead the way

Give me your time
I will show you joy
Give me your legs
I will show you how to walk
Give me your arms
I will teach you how to hold on
Give me your eyes
I will show you how to see
Give me your muscles
I will give you strength
Give me your mind
I will give you courage

Don't Quit

When things go wrong, as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest! if you must; but don't you quit.

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out;
Don't give up, though the pace seems slow;
You might succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man,
Often the struggler has given up
When he might have captured the victor's cup.
And he learned too late, when the night slipped down,
How close he was to the golden crown.

Success is failure turned inside out;
The silver tint of the clouds of doubt;
And you never can tell how close you are,
It may be near when it seems afar;

So stick to the fight when you're hardest hit;
It's when things seem worst that you mustn't quit.

What is Success?

by Ralph Waldo Emerson

To laugh often and much;
To win the respect of intelligent people and the affection of children;
To earn the appreciation of honest critics and endure the betrayal of false friends;
To appreciate beauty,
To find the best in others,
To leave the world a bit better, whether by a healthy child, a garden patch or a redeemed
social condition;
To know even one life has breathed easier because you have lived.
This is to have succeeded.

You Can Be Whatever You Want To Be!

by Donna Levine

There is inside you
All of the potential
To be whatever you want to be;
All of the energy
To do whatever you want to do.
Imagine yourself as you would like to be,
Doing what you want to do,
And each day, take one step
Towards your dream.
And though at times it may seem too
difficult to continue,
Hold on to your dream.
One morning you will awake to find
That you are the person you dreamed of,
Doing what you wanted to do,
Simply because you had the courage
To believe in your potential
And to hold on to your dream.

A Creed to Live By

by Unknown Author

Don't undermine your worth by comparing yourself with others,
It is because we are different that each of us is special.

Don't set your goals by what other people deem important,
Only you know what is best for you.

Don't take for granted the things closest to your heart
Cling to that as you would your life, for without them life is meaningless.

Don't let your life slip through your fingers by living in the past or the future.
By living your life one day at a time, you live all the days of your life.

Don't give up when you still have something to give
Nothing is really over ... until the moment you stop trying.

Don't be afraid to admit that you are less than perfect,
It is the fragile thread that binds us to each other.

Don't be afraid to encounter risks,
It is by taking chances that we learn how to be brave.

Don't shut love out of your life by saying it's impossible to find.
The quickest way to receive love is to give love.

The fastest way to lose love is to hold on too tightly,
And the best way to keep love is to give it wings.

Don't dismiss your Dreams. To be without dreams is to be without hope.
To be without hope is to be without purpose.

Don't run through life so fast that you forget where you've been,
But also know where you're going.

Life is not a race, but a journey to be savored every step of the way.

The Challenge

by Jim Rohn

Let others lead small lives,

But not you.

Let others argue over small things,

But not you.

Let others cry over small hurts,

But not you.

Let others leave their future

In someone else's hands,

But not you.

My Comfort Zone

by Unknown Author

I used to have a comfort zone where I knew I wouldn't fail.
The same four walls and busywork where really more like jail.
I longed so much to do the things I'd never done before,
But stayed inside my comfort zone and paced the same old floor.

I said it didn't matter that I wasn't doing much.
I said I didn't care for things like commission checks and such.
I claimed to be so busy with the things inside my zone,
But deep inside I longed for something special of my own.

I couldn't let my life go by just watching others win.
I held my breath; I stepped outside and let the change begin.
I took a step and with new strength I'd never felt before,
I kissed my comfort zone good-bye and closed and locked the door.

If you're in comfort zone, afraid to venture out,
Remember that all winners were at one time filled with doubt.
A step or two and words of praise can make your dreams come true.

Reach for your future with a smile;
Success is there for you!

Plain Old Oyster

by Unknown Author

There once was an oyster, whose story I'll tell
Who found that some sand, had gotten into his shell

It was only a grain, but gave him great pain
For oysters have feelings, although they are plain

Now, did he berate the harsh workings of fate
That had brought him to such a deplorable state?
"No", he said to himself, "Since I cannot remove it",
I'll lie in my shell, and think how to improve it",

The years rolled around, as the years always do,
And he came to his ultimate destiny stew.
Now the small grain of sand that had bothered him so,
Was a beautiful pearl all richly aglow,

This tale has a morale, for isn't it grand,
What an oyster can do with a morsel of sand?
Think...what could we do, if we'd only begin,
With some of the things that get under our skin.

Believe In Yourself

By Unknown Author

There may be days when you get up in the morning
and things aren't the way you had hoped they would be,
that's when you have to tell yourself
that things will get better.

There are times when people disappoint you and let you down,
but those are the times when you must remind yourself
to trust your own judgments and opinions, to keep your
life focused on believing in yourself
and all that you are capable of.

There will be challenges to face and
changes to make in your life,
and it is up to you to accept them.

Constantly keep yourself headed in the right direction for you.

It may not be easy at times,
but in those times of struggle
you will find a stronger sense of who you are,
so when the days come that are filled with
frustration and unexpected responsibilities,
remember to believe in yourself and all you want your life to be,
because the challenges and changes will only help you to
find the goals that you know are meant to come true for you.

Keep believing in yourself.

Life Is....

by Mother Teresa

Life is an opportunity, benefit from it.

Life is beauty, admire it.

Life is a dream, realize it.

Life is a challenge, meet it.

Life is a duty, complete it.

Life is a game, play it.

Life is a promise, fulfill it.

Life is sorrow, overcome it.

Life is a song, sing it.

Life is a struggle, accept it.

Life is a tragedy, confront it.

Life is an adventure, dare it.

Life is luck, make it.

Life is too precious, do not destroy it.

Life is life, fight for it.
