

Weekly news from Ravenshead C of E

Thank you so much for your support and kind wishes during the SIAMS inspection this week.

The inspection report is currently in the process of being finalised and we anticipate it being ready to share with you in a few weeks.

Wishing you all a wonderful half term and we look forward to welcoming the children back to school on **Monday 24th February**.

Opal

What a fantastic week it's been at Opal Play! The children have had so much fun exploring their favourite wheeled items, racing through puddles, and enjoying the freedom of movement these toys bring. From scooters to pushchairs, it's been a joy to watch the children interact with these items, whether zooming around or simply having fun splashing through the water!

It's also been wonderful to see great teamwork, especially during lunchtime. We've spotted several older children lending a hand to the younger ones, helping them with the wheeled equipment or offering assistance while they build with crates. These moments of cooperation and kindness have been a true highlight of the week and please take time to look at this video that illustrates this beautifully <https://youtu.be/NyJSaTotCgg>

If you happen to have any old wheeled items gathering dust at home, we'd love to give them a second life! Pushchairs (the children's favourites), old bikes, scooters, wheelbarrows, suitcases, and even little play trollies are all welcome donations. At break time, there's always a mad dash to the wheel store, and it would be amazing to have more items available for all the children to enjoy.

We're also looking for donations of any plastic slides—of any size! If you have a slide you no longer need, it would be a wonderful addition to our outdoor play area, adding even more fun and adventure for the children.

Roll of Honour

Please feel free to share with us any significant achievements your children have made at home e.g. 10m swimming badge, so we can share them in next week's newsletter and during our 'Celebration Assembly' on a Friday.

Please click on the link to fill in the details of their achievement. We love sharing them!
